TELSTAR N. H. S. CHAPTER ATTENDS CONVENTION

On Saturday, March 18, fifteen members of the National Honor Society chapter of Telstar Regional High School went to Winslow to attend the State National Honor Society Convention held at Winslow High School. After registration and refreshments, the convention got underway with Mark Haskell, state president, presiding. The keynote address was given by the Honorable William S. Cohen, U. S. Congressman, Second District, State of Maine.

Following the keynote address, candidates for state N. H. S. offices gave their speeches. Although Telstar's Jody Haines was unsuccessful in her bid for the office of secretary, she acquitted herself ably and well.

Workshops were held in the periods before and after lunch and proved to be most interesting and informative. They included the following: (1) Educational Opportunities at our State Universities; (2) The 18/19-Year-Old Drinking Question and the Problem of Apathy among High School Students; (3) Consumer Awareness; (4) Jackson Laboratory; (5) General Discussion Session regarding N. H. S. Activities; (6) Crime Prevention Team; (7) Political Youth Groups and; (8) American Field Service.

Before the second set of workshops, all delegates reassembled in the gym for the entertainment portion of the program. This was provided by Jud the Jester, whose prowess as a mime, a juggler and a humorist was very much enjoyed by all.

After each candidate for office had a chance to answer an impromptu question before the assembly, the delegates caucused and then voted. While the votes were being tabulated, the general business meeting was held. At its conclusion the officers were announced and installed, and the convention was adjourned.

Those making the trip were the following: Pam M. Bean, Kurt Brown, Dan Cummings, Wendy Davis, Mandy Dombkowski, Mike Friel, Philip Gauthier, Jody Haines, Peter Keniston, Blaine Macsey, Leigh Michaud, Steve Morrill, Patsy Owen, Priscilla Webster, Ray Wirth and Mrs. Madeline Gibbs, N. H. S. Advisor.

PARENTS NIGHT AT TELSTAR MIDDLE SCHOOL TONIGHT (THURSDAY)

Parents Night will be held this evening (Thursday, March 23) at the Telstar Middle School.

The program will begin at 7:30 p. m. in the auditorium. A presentation of the achievement test results will be made by Arthur Froburg, school psychologist. Mr. Froburg will interpret the achievement scores as they apply to the district and to the 6th, 7th and 8th grades in particular. Parents of grade 9 students are also welcome to attend regarding achievement test scores as they apply to their students.

Following his presentation, parents will receive their youngster's profile of scores and have the opportunity to have these explained in more detail by a classroom teacher. It will also be an opportunity for parents to discuss with teachers their youngster's progress or any other area of concern. Teachers will be in the gym at various stations to interpret the tests. For conferences to remain private, it is being asked that only one parent at a time be at any one teacher's station. Also so that all will have the opportunity to meet with teachers, it is requested that conferences be limited to five minutes with each teacher.

Refreshments will be available in the cafeteria for parents as they await their turn to meet with specific teachers.

CHAMBER OF COMMERCE NAMES OFFICERS AND PLANS FOR SUMMER ACTIVITIES

The nominating committee of Bob Crane, Ted Chadbourne and Barbara Brown presented their slate of officers for the coming year at the first 1978 Greater Bethel Chamber of Commerce held last Thursday at the Bethel Inn. Elected officers are Donald G. Bennett, President; Louise Lincoln, Secretary; and Norma Jodrey, Treasurer. Charles Osgood, who was nominated for the position of vice president had to withdraw because of other business commitments. Nomination for the vacant officer positions of vice president and second vice president will be acted upon at the next meeting scheduled for May 11.

At this meeting the members voted to order 5,000 copies of the new Bethel brochure from Western Maine Graphics, Inc. to be delivered by April 20. This motion followed an explanation by Don Bennett concerning past delays in printing and preparation. The members also voted to reserve an option for additional deliveries at a later date. Costs involved are: \$1,950 for the first 5,000 and \$110 for each additional thousand.

In June the members will hold an awards dinner to honor local citizens. Barbara D. Brown will be in charge of this event.

In other new business the incoming president proposed use of a Bethel recreational area logo in conjunction with the regular Greater Bethel Chamber of Commerce title as a representative symbol of the chamber's interests in the recreational and vacation potential available in our immediate surrounding area. Along with this discussion he brought up the need to increase Chamber of Commerce membership and participation by creating an active membership committee.

Clarice Gibson, Corres.
Spring has come! At least that is what the calendar tells us. Sunday the 19th, we had snow. The 20th, which is the day spring starts it was 14° when I got up and the wind was blowing hard. Today, the first full day of spring, we woke up to snow (it has stopped now). Today (21st) is the birthday of our oldest son and once again our minds wander back over the years wondering how so many years have gone by in such a seemingly short time.

Kerry Smith stopped in on the 13th to have coffee with his parents, Mr. and Mrs. Homer Smith Jr., from his home in Lebanon, N. H., to North Anson, Me.

Edith Smith wanted to commend Vince Chapman and Scott Snyder, the boys are 9, who saw a lot of smoke across the river. The boys knocked on Edie's door and were not happy until she called around to find out what was causing so much smoke. As it was, someone was burning brush, but it could have been something serious.

Mr. and Mrs. George Gilbert had a birthday party the 13th for their older son Randy's 21st birthday. They also celebrated Alta Morrill Smith's birthday. Guests included, besides those mentioned, were Bruce Smith and Lisa, Ronnie Gilbert and Betty and Alta's mother, Mrs. Grace Morrill.

Ruth Mason went to Togus on March 14 to help celebrate her husband Charles Mason's birthday. Terry Mason and Lee Blake brought over a birthday cake. The rest of the children celebrated their father's birthday March 12 when Charles was home for the week end. Charles also came home for the week end of March 17 and was taken back the 19th by Mr. and Mrs. Charles Mason III and Jennifer.

The cat of Carol and Melinda Mason had five kittens over the week end.

Mrs. Bette Gilbert had her niece and daughter, Mrs. Elaine Johnson and Harle Lee from Norway visit Wednesday.

Mrs. Bette Gilbert will be taking more tests at Rumford Community Hospital, Monday and Tuesday.

Ms. Lee Einzig celebrated her birthday March 19. Ms. Sally Clay made the cake and Mrs. Gary Melville and daughters, Donna and Veronica, from Locke Mills, were also there.

March 13, Mr. and Mrs. Frank Benson went to their daughters, Mr. and Mrs. Davis Kimball, Anita and Chantel.

Timmy Angevine was home Thursday and Friday from school. Sheri was home Friday and Ricky Angevine was home Monday with the flu.

Also not feeling well this last week were Mr. and Mrs. Frank Benson and Alberta Angevine.

Edith Smith has been out of work with pleurisy.

Douglas Smith, son of Mr. and Mrs. Homer Smith returned home from his trip to Florida, Saturday. He and his friend from Lewiston went through to New Jersey where they spent the night. The next morning when they started out they went straight through arriving in Florida at 12:30 p. m.

Monday, March 13. They went through to Miami Beach where they spent the day. On the way home they stopped at Orlando and went to Disney World Tuesday, Sea World, Wednesday and Thursday went to Kennedy Space Center and Daytona Speedway and Beach, Tuesday at seven left for home. When they went through Washington, D. C., they saw the Washington monument. They were gone just about a week.

Friday Barbara MacDougall and I went to Rumford. On the way up we stopped at Goodwin's for dinner. We then went up to Dr. and Mrs. MacDougall's. Mildred Doucette gave us tea as Mrs. MacDougall was out shopping and arriving.

Buzzie Lapham, Donna Lapham and Phyllis Bancroft attended a personal shower for Maria Perkins at the Grange Hall on Sunday.

Buzzie and Howard Lapham and Phyllis and Bill Bancroft were among many friends and relatives who attended a 50th wedding anniversary open house for Albert and Elma McAllister recently.

Kassi and Brandon Salway attended a splash party at Hebron Academy Saturday night sponsored by the Junior Youth Fellowship.

The Dave Salways visited her mother at the Rumford hospital on Sunday then were supper guests of her sister and family, the Herb Adams in Hanover.

Jesse and Myra Doyen visited Alice Kimball on Monday.

Appointed to this committee by the Selectmen were Stephen Wight, Nancy Dennis and John Gauthier. The Selectmen have been advised by the legal counsel for the M. M. A. that before any money is turned over to the committee for constructing snowmobile trails, they have a written guarantee from the club that the trails will be open to the public and not for the exclusive use of the club, and that the club should insure the town and town officials against any liability that might arise from use of these trails.

The Selectmen met Monday with Norman Worthing and Verna Scribner of the State Department of Transportation to discuss expenditure of State Aid monies. The town appropriated four units, \$2,132, of State Aid money in 1976 and again in 1977. Six units, \$3,198 was appropriated in 1978, making a total of 14 units, \$7,462 available. This will be matched by the State two to one, plus a 40% bonus, for a total fund of \$31,340.40.

It was voted to apply six units to the construction projects presently scheduled for route 26, the reconstruction of Wight Brook Bridge and approaches and a section of roadway near the residence of Roy Bennett. The cost of these two projects will be approximately \$500,000, with the town paying \$3,198 and the balance Federal and State funds. The remaining eight units, \$4,264, will be expended on Sunday River, beginning at the Newry-Bethel Town Line. This will be matched by the State two to one, plus the 40% bonus and a Special State Aid Fund, and used to build up a section of roadway which is often flooded during high water. It was voted to buy a C. B. radio for the Highway Department truck. Town road specifications were also discussed. It was felt that some changes might be made in present specifications.

PACK 565 NEWS
Tuesday night, March 28, will be the time of the next Cub Scout 565 Pack Meeting. It will be held at 7 p. m. at the Bethel Savings Bank. The theme for the month is Circus.

Olive Davis, Corres.—
Mr. and Mrs. Herman Bean were tendered a 40th anniversary party by their daughters, Mrs. Evelyn Mason and Mrs. Dorothy Heath, at the Union Church Sunday, March 12. The anniversary cake was made by Mrs. Brian Bean of Rumford. Refreshments were served to the guests.

Mrs. Olive Davis called on Mrs. Herman Bean, Monday morning.

Mrs. Maynard Fleming, Mrs. Myrtle Thurlow and Mrs. Miriam Morgan attended a personal shower given to Mrs. Jesse Rivera at West Paris, Sunday afternoon, March 12.

A light snow fell Tuesday night which made the travelling gummy which bothered on the hills.

Lloyd Merrifield has been getting his lines set ready to tap the Davis Orchard. The syrup is just what is wanted from these trees. He received first prizes on his syrup last year.

Olive Davis called on Helen Chute, Harrison, Saturday morning. Then she went to Mr. and Mrs. Arthur Andrews' on Lower Ridge Road, where she took dinner and visited with the family.

Hurrah! We didn't get the storm predicted for us this week and I guess many were glad. I know I was for one.

I have had a flock of red polls at the feed station for the last month. I saw a small crow beside the road on Route 28. He looked half starved. I have seen pine grosbeaks a lot. In fact they were in the apple trees back of the house all winter as well as red squirrels and a big gray one. They come periodically as I presume they nap until hungry. They know where to come for feed. It's

ADULT EDUCATION NEWS
Each Thursday evening, Robert Grose and his students are turning the clock back some 50,000 years. Bob's class entitled "Art Thru the Ages," focuses on outstanding periods of Art each week and started with the early cave-men of France, Spain, and Italy and continues thru to the Egyptians, the Greek and Roman periods, the Chinese and Japanese art, the creations of the Medieval and Renaissance Era, the Baroque Periods in Flanders, Holland and Spain. It includes Eighteenth Century England and France on into the Twentieth Century art of England and America.

Bob's students choose the medium with which they are most familiar such as Watercolor, Oils, Pastels or Acrylics. Many interesting paintings have been created in his class. He gives a brief history about the Country, its people and the social and political backgrounds. Bob shows slides and Art Works and the students discuss and interpret them. To date the class has created such Art Works as Birds from the Early Cavern Period, delicate flowers from China, figures and portraits from the Egyptian, Greek and Roman Periods.

This is Bob's second semester teaching Art in the Adult Education Program at Telstar. He has instructed Adult Classes at Dixfield and Mexico in Watercolor Painting, both beginners and advanced, as well as out-door sketching and Pen and Ink Drawing. Bob is a graduate of the Trafton School of Design in New York and the Portland School of Fine and Applied Art at Portland, Maine. He also attended New York University. He has recently been honored by having one of his paintings on the front cover of the Dixfield Town Report for 1978.

WALKING WITH JESUS CHRIST

Easter comes at a time of spring when the earth has a promise of warmth and growth—flowers and birds will reappear. Easter often means new clothes—colored eggs and lovely greeting cards. Stores advertise their wares and much money will pass through the cash registers of the nation's shops.

Easter is mentioned only once in the Bible—Acts 12: It was passover time when King Herod persecuted the Christians; when Peter was arrested and put into prison guarded by four squads of soldiers—however he went to his freedom when God broke his chains following the prayers of his friends.

Easter as we celebrate it is the season of joy to the believer—the old Testament of animal sacrifice for the forgiveness of sins was no longer necessary—for Jesus Christ had won the victory over Satan and the time of Grace was established by God. We sing, "He is Risen." "He Arose." Jesus had been killed bodily on the Cross—He went to hell for three days, I Peter 3—"where He preached the gospel unto the spirits in prison, to those who had disobeyed God—on the third day He arose and is at the right hand of God." "Angels and powers and authorities being made subject to Him."

Yes, there is a real and literal hell—Luke 16—"And in hell, in torment, the rich man called to Abraham to send Lazarus to give

him a drop of water to wet his lips—and to send Lazarus to his five brothers, still on earth, to warn them of their fate if they did not obey God." Abraham said: "They already have believers to tell them but they do not believe."

Jesus Christ died for us, Luke 24, that we might be saved—Even the prophets of old—Isaiah, Chapter 53, foretold of Christ—how He loves us—He beckons us, yet most refuse to heed Him—they prefer false gods—they preferred Barrabas over Jesus—Matt. 27—they shouted—release Barrabas! kill Jesus! Acts 3:14: "But ye denied the Holy One, and the just, and desired a murderer to be granted unto you."

Let us pray to our living God—through Jesus Christ our Saviour—as Phil. 2:11 says—"and

— Mrs. Arline Bernier, Corres. —

Town meeting lasted about two hours Saturday with 27 voters present when the gavel fell. One more voter came in but several left early leaving an even smaller percentage to execute the business. There was a minimum of abortive attempts to stir up controversy over trivia which is amusing for the instigators apparently but time consuming and boring or disgusting to the majority at many meetings. It was a relief and pleasure that we were allowed to hold this meeting in a business-like, intelligent manner.

Steve Wight of Sunday River was chosen moderator and did an excellent job of conducting the meeting. Officers elected were: Selectmen, Fred Judkins, Earl Larresse, Gilles Viens; Town Clerk, Leslie Aron; Treasurer and Collector, Christine Murphy; Member of School Board, Eleanor Lecomte; Road Commissioner, Earl Larresse. The amount of recommended money to be raised was reduced by \$1,500. Some questions were asked in regard to requests for money for various agencies.

On Article 13 which dealt with a contribution to Tri-County Health Association, a lady remarked that having accepted a most thankless, harassing job, the service should be available and the money was raised swiftly.

Not much enthusiasm was shown for raising money for equipment for roads and snow removal although some monies were transferred to a fund for same. It was voted to use some donated funds to hire technical advice for assessment work and the rest towards a skating rink.

Newry and Upton are joining in an Easter service at 7 a. m. in the Aron field with Rodney Hanson, pastor. This will be followed by a public breakfast at the school house. There will be no charge but folks are asked to bring cooked food and a cup will be available for small contributions to cover costs. Neither is required and all are welcome.

The 4-H girls went with Fred to Albany to take part in a Grange meeting program. The girls devised their own drama which they called a soap opera. Each was costumed as a brand of soap and the drama was somewhat patterned along the lines of a minstrel show.

The Andre Viens, Camerons, and the Santos were week end residents.

Dr. Ray Chittum was in town a couple of days to check his camp. Ladies' Aid meeting was held Monday afternoon at the home of Lucille Larresse. Mr. Frederick of Errol who has been re-wiring the building came to report on progress and collect his wages. He has not finished as he needs to wait until he can get some outside wires which are ice covered and snow covered and check with Public Service. We cannot comfortably use the building until this is done and some repair done on the stove. It was voted to encourage hand crafters to bring their wares to the annual fair and sell them on commission basis. Meetings will be held daytimes beginning April 20 because the ladies who work are on a new schedule of three or four 12 hour days and off three or four days. We will be bringing patterns and samples for a quilt for the fair at the April meeting.

The Halvorsens from Berlin were up last week end to shovel the snow from their porch. Several feet had piled up from the roof and from the sky.

The sewing class students played hooky Tuesday and attended the Thursday class. It looks like we might make a repeat performance this week because of weather and road conditions.

STATE OF MAINE
HOUSE OF REPRESENTATIVES

Karen L. Brown

March 19, 1978

As part of the on-going effort of the Maine Legislature to establish equitable taxation within the State of Maine, the House voted to accept L. D. 2159, which would create the Unorganized Territory Tax District. The proposed legislation provides the means to fund all services within the Unorganized Territory which would not be borne by the State of Maine if the Unorganized Territory Tax District were a municipality.

Revenues would be raised by a property tax levied equally within the District which would raise only enough revenue to cover what would otherwise be the municipal costs for the District. The revenues of this tax would be placed in a special fund over which the State would act as Trustee for the benefit of the District. This money would be used in precisely the same manner as a municipality raises and used its local property tax, and would not be used for services that the State pays for in a municipality.

This legislation would repeal the current local and state government tax, which for the fiscal year 1978 raised \$4.1 million dollars. The emergency need for this bill is evident, given the repeal of the Uniform Property Tax by Public Referendum which results in an immediate loss of \$3.6 million to the Unorganized Territory. Under this legislation the State would subsidize the cost of education in exactly the same manner it subsidizes education costs in any municipality. Landowners in the Unorganized Territory would therefore be paying the same proportionate burden for all municipal services.

The TREE GROWTH TAX Statute currently provides for reimbursing the municipality where taxes assessed are less than 90% of the 1972 taxes on forest land. Most people that work with this tax agree that the current basis of reimbursement is inequitable and that the value established under the tree growth law is inadequate. To provide a temporary relief, I sponsored L. D. 2049 to provide refund Municipal Claims under the Tree Growth Tax Law on or before Dec. 15 of the year in which the revenue has been lost. This would eliminate the one-year delay in reimbursement as a result of the legislative resolve.

When I presented my legislation to the Committee of Taxation, we decided to amend the statutes one step further to provide for a minimal level of temporary relief for this year. The Amendment that was adopted provides that municipalities will receive at least a 17c per acre reimbursement for land classified under the Tree Growth Tax Law, and requests appropriation for fiscal year 1978-79 adequate to fund the revised reimbursement formula. This legislation has received support in the House and has gone to Senate for approval.

The next session of the Legislature the committee will have an opportunity to take action on the recommendations of an anticipated study of the Tree Growth Law.

West Bethel

— Mrs. Lona Gilbert, Corres. —

Monday morning, March 20: A nice sunny morning here. Temperature 10° or 12° above zero. We still have high snow banks and it doesn't look as though "Spring is just around the corner." I think that corner is farther from West Bethel than where that turn is from Main Street to Flat Road by Paul Head's Store. We will have to have warmer weather than we've had so far this month for the snow to settle much. This is Bethel town meeting day. I can remember some years back when town meeting day came the snow was nearly all gone. Last year town meeting was held on March 7, temperature 30°. On March 8 went to 50° and snow was melting.

Wilbur Davis and Albert Skillings attended a stock show one day last week in Standish.

Mrs. Maggie Lowell is reported a little more comfortable at the Rumford Community Hospital. Mrs. Hilda Roberts' cold is some better. Visitors at Mr. and Mrs. Roberts' were Mr. and Mrs. Sherman Piper, Andrea and Todd, of Dixfield as dinner guests Saturday. On Sunday, Mr. and Mrs. Stanley Seames and Mr. and Mrs. Peter Seames of Locke Mills were visitors.

Mrs. Carla Bennett arrived home on the week end from a 10 day visit in Florida. Mrs. Mary Bucknell of Denmark accompanied Mrs. Bennett to Florida. They left on March 7 and arrived back in Denmark on March 17. While in Flo-

rida they were guests of Mrs. Bennett's brother and wife, Mr. and Mrs. Clarence Rolfe of Auburn-dale.

The week end of March 18 and 19, Mr. and Mrs. Wallace Loffredo ventured north from Portland to visit Mr. and Mrs. Cleveland Lovejoy.

On Thursday Mrs. Tyrene Lovejoy took Angela to Lewiston for a check up on her leg. They found braces deemed not necessary at this time.

Thursday evening Mr. and Mrs. Cleve Lovejoy and Ellen attended a birthday supper for Jackson-Silver Post. Ellen sang as part of the program.

Saturday Mr. and Mrs. Cleve Lovejoy, Ellen, Mrs. Dorothy West and children took a trip to Lewiston area.

Mr. and Mrs. Howard Butler and two children of Union spent the week end with her parents, Mr. and Mrs. Paul Head.

Mrs. Randall Gilbert, the former Elizabeth Davis, whose birthday was March 18, enjoyed supper Saturday night with her husband, at the Chicken Coop Restaurant. They later attended a dance at the Legion Hall, Locke Mills. On Sunday afternoon Mr. and Mrs. Gilbert were guests of her parents, Mr. and Mrs. Wilbur Davis. Other guests were their children, Mr. and Mrs. Neil Gilbert, Mr. and Mrs. David Hale, Scott, Brent, Cheryl and Carol Gilbert and friend, Mary Frost. Mrs. Davis was taking care of Charles Smith's little daughter, Angie, that day, so she also attended the party. Their

oldest son, Glenn, who lives with his family in Kansas City, Mo., was the only one of their children not present. Mrs. Gilbert received many cards and gifts. Home made ice cream and two birthday cakes made by her mother, Mrs. Davis, were served. The afternoon was enjoyed by all.

Mrs. Mary Head Butler, daughter of Mr. and Mrs. Paul Head, was given a dinner party in honor of her birthday Saturday night by her parents, Mr. and Mrs. Head. Her birthday was Sunday March 19, but as they were leaving for their home in Union Sunday the party was held Saturday evening. Attending were Mr. and Mrs. John Head, Mr. and Mrs. Arthur Head, Jane and Marietta, Mr. and Mrs. David Head, Jonathan and Jeremiah, Howard Butler, Lisa and Matthew, the honor guest, Mary Butler, and hosts, Mr. and Mrs. Paul Head. A nice evening was enjoyed by all. Mary received gifts and cards.

UPTON HOLDS ANNUAL TOWN MEETING

Upton First Selectman Fred Judkins said he anticipates a decrease in the school appropriation and predicted a five-mill decrease in the tax rate as a possibility, following Saturday's annual town meeting, during which he was elected to his 32nd term.

Stephen Wight of Newry was the moderator of the rapid moving session, handling the 20 article warrant in one of the shortest meetings in recent years.

Incumbent Earl Largesse was elected second selectman, and Gilles Viens, was re-elected third selectman on the second ballot, defeating Roland Bernier, 19 to 7.

Leslie Aron was re-elected town clerk, Christine Murphy, treasurer and tax collector, Eleanor LeComte was elected to a three-year term on the school committee, replacing Marilyn Brennon, who did not seek re-election. Largesse also won the road commissioner's post over incumbent Gilles Viens by a vote of 13 to 9.

An article concerning the appointment of a committee to investigate the purchase of snow removal equipment was passed over. The budget totaled \$16,283.50, compared to \$15,709.50 a year ago.

The town voted to transfer the Federal Revenue Sharing funds and \$2,500 from the General Revenue surplus account to the capital equipment fund.

It was voted to appropriate \$750 from the anti-recession fund to hire a technical advisor for assessment work and to transfer the balance of the anti-recession fund to a recreation accounts for the purpose of building a skating rink.

The meeting adjourned at 11:30 after the oaths of office had been administered by the moderator.

GILEAD TOWN MEETING HELD SATURDAY NIGHT

With an attendance of 24 voters, Gilead town meeting was held last Saturday night with Cynthia Mason serving as moderator. Mrs. Mildred McLean was elected town clerk for her 10th year and has served as registrar of voters for 18 years.

Linsley Chapman was elected tax collector and treasurer and Carol Taylor as member of the school committee. Gerald Tyler first selectman, with Stephen McLean, as second and Joel Carter, as third selectmen.

Harry Taylor Jr. was re-elected as road commissioner and other officers will be appointed by the board of selectmen.

The excise tax is to be used at the discretion of the selectmen and no funds were raised for civil defense.

The salary schedule for town officers was approved for a total of \$3,340. The big money item was a recommendation by the school board that \$9,000 be raised in each of the years 1978 and 1979 to purchase a new school bus at the end of the two year period. It was explained that a larger bus will be needed as the bus now in operation would not be dependable.

Articles concerning money for the ambulance service, Maine Public Library Bureau and the Tri-County Family Day Care were refused by the voters. The fire department was granted \$1,000 for fire protection with the fire department receiving another \$1,000 from Revenue Sharing.

The total tax commitment was in the sum of \$28,976 with a school tax yet to be determined. The superintendent of schools, Kenneth Smith, will attend a meeting in Augusta March 28 to determine school costs and as soon as this is ascertained the town meeting which was recessed at 8 p. m. will reconvene to appropriate money for the schools.

Mr. and Mrs. David Keniston, Heather and Heath, West Minot, were week end guests of her parents, Mr. and Mrs. Frank Packard.

A Senior Citizens Health Screening Clinic will be held at the West Parish Congregational Church, Bethel, on Tuesday, April 4, from 10 a. m. to 1 p. m. This clinic is for Bethel and the surrounding area.

The clinic is sponsored by the Androscoggin Home Health Services of Auburn. For more information call Ernest St. Jean, toll free, at 1-800-482-7412.

Simple Blood Test—to detect anemia; 6. Stool Guaiac—to detect potential bowel problems. If you attend, bring small specimen of urine and stool—any closed container will do.
